UPCOMING

EVENTS

Dec. 2 - 2:00PM Clayton Christmas Parade with a Chicken Barbecue at O'Briens afterwards for members only

NEW BUSINESS

Club By-Laws were discussed and the next meeting we will vote on them. The proposed By-Laws will be posted on the club web site before the meeting so everyone can study them before the meeting.

The Liz Whitton benefit was a success. We were able to give

\$1836.50 to the Whitton family to help them out.

Special thanks to Josie, Mary, Shawn for cooking the great dinners. We also want to thank Blaine LaClair @ **Jreck Sub** for donating the Brownies, and Mr. Cutway @ **Crowley Foods** for donating the whip Cream.

We need to know how many members want to have another Expo? Right now the dates that are available for this Expo are September 13, 14, 15 This date is available only if the Fiddlers back out. Then the other dates available are September 20, 21, 22. Then we need to contact all of the vendors to see if they want

to be a part of our Expo.

We are officially incorporated now, and our new meeting place is O'Briens in Clayton.

Mr. Buker from the Caddy Shack receive our letter and he is not happy about it. He said that he has done a lot for us and gave us free pizza and helped us out a lot. So he said if we don't give him \$150 for the salads and beans from the Rally Ride Chicken Barbecue then he is going to contact his lawyer. We feel the amount should be less because we prepared the majority of the food and all left-overs (a considerable amount) went to Mr. Bukers convenience store for resale.

The Clayton Christmas Parade is Sunday, December 2nd at 2 pm. Entry forms are at the Clayton Chamber of Commerce. The theme this year is red, white & blue Christmas.

Jack Spry from Watertown Power Sports has not heard anything yet on our grant that we have requested from Suzuki.

Mr. Gould said we have permission to use the railroad bed and is going to talk to Mr. Dingman

about removing the hay bales piled there.

TILT (Thousand Island Land Trust) wants the railroad bed scraped with a blade to put stones back where they belong and get rid of the bump in the middle of railroad bed.

Election of Officers is coming up. Nomination is slated for December, with voting in January. So whoever wants to run for office put in your request.

The president of the Jefferson County ATV Association talked with us about insurance. The problem is the county association needs to get incorporated and they are broke. He said even when this all takes place that we still may have a problem getting insurance through the county because the insurance company may not let us. So we have to wait and see what happens.
