NEW BUSINESS

We had a good turn out for the Lyman's Boating Association Chicken Barbecue. We sold 160 chickens and had no complaints.

We had our drawing on the sweatshirt and hat the winner was Erica Brenon

We want to thank the American Legion in Clayton for letting us use their supplies to make our Chicken Barbecue a success.

Saturday September 22 is our ride to Philadelphia. There are some changes from last time. This time all of the clubs will be starting from Clayton around 9:30 or 10:00 to go to Philadelphia. Meet at the Caddy Shack

in Clayton. Unload at Frinks parking lot. Then ride to Philadelphia for lunch that is being put on by Philadelphia and then ride back to Clayton and have a chicken barbecue put on by the Rivergate Wheelers ATV Club at the Caddy Shack. The barbecue consists of half a chicken and potatoes and bake beans and coffee and soda, roll for \$6.50. We will need volunteers to do this. Barbara is going to do the money and tickets, Bob, Terry, Glen, and Greg will cook and Billy Jo also said she would help. Ray said he would help and probably will need some servers. Greg is setting up the "Riding With Rivergate" computer slide show inside the Caddy Shack. Clifford and some others will be marking the trail for the ride Saturday.

We talked about anyone who joins the club must be registered and insured. This is a law of NYS that we must obey.

Our Trailer is registered and inspected and ready to be used. We need some volunteers to do the railroad bed with the brush hog one more time before winter sets in. Please call 686-4367. Bob Bowes said the rail bed to Frinks from East Line Road has some brush that needs to be trim back. Need Volunteers for that before Saturday.

Sissy Danforth would like to see our brush hog. So we will be doing a demonstration for the board members of TILT. Bow season is coming at the end of the month. Please be aware some trails will be closed off. So please get permission to use them and have respect for the hunters. You may have to call to see if the trails are closed off. Be

careful, ride safe during hunting season.

Mike Campney, who works at the racetrack in New Bremen, wants all of the clubs from Jefferson and Lewis County to volunteer our help for some kind of a function involving ATV's to make money to send to New York City Victims. He wants our ideas on what to do at the racetrack. This meeting will be September 24. He would like to do this event October 13 & 14.

The County ATV Association is still working on insurance with Haylor Frylor and Coon. They are trying to obtain an underwriter and believe they have leads on one. They are working from a Randy Harden Policy. We figure that each club in the association, (6) would share the cost of about \$250 - \$300.
