OLD BUSINESS

Antique Boat Regetta – we need help 8am-5pm August 20-22. The 1000 Islands Booster Club is splitting the profits from this event with us. We just need to oversee the operation – the Booster Club will be supplying most of the manpower. Last year the Booster Club netted over \$3000. Please contact Jill @ jillvanhoesen@msn.com for more information or to sign up.

Rivergate Trail Status:

Bob Watson has brush hogged the trail from Philly to the Elm Ridge Road in Theresa. Ray took 3 board members from TILT on a ride on the Rivergate Trail last week. They are very impressed with the trail system and the maintenance of it. Terry will be contacting people as to when the next work detail will be. Greg has contacted PowerSource and received a quote on fixing our brush hog. Glenn Van Hoesen motioned and Kathy Watson seconded that we spend no more than \$600.00 to replace the

motor. Greg will check prices at other dealers and have the brush hog fixed. Terry will also approach TILT on splitting the cost of this repair.

Club Ride & Clambake – has been **changed from the 18th of Sep to the 25th**. We will be meeting at Ray's house at 11am. We will ride all afternoon and then return to Ray's for eats, drinks and relaxation. Please contact Jill @ jillvanhoesen@msn.com for more information or to sign up. Please let us know if you plan on attending so we will have enough food. Sorry Brian!!!! Maybe we still have time to reschedule a trip to your camp in South Colton. Too many events and not enough weekends!!!!

ATV Rodeo – photos of the event are now on the website. Jill will be sending John Petrie and the Jefferson County Fair a thank you letter for having us participate in this year's fair by hosting this event.
