SEC. / TREASURERS REPORT

Motion by Glenn Van Hoesen seconded by Kathy Watson to accept minutes and treasurer's report.

PRESIDENTS REPORT Special Guests

Rivergate Trail: Mr. Quinn spoke about the Thousand Island Land Trust and the help they will welcome from our club in maintaining the Rivergate trail. He also spoke briefly how the Land Trust should be able to help with pressing issues such as the "81 Overpass" and the "Jerry Reynold's Trail". With the unfortunate departure of Sissy Danforth the continued support and commitment from Mr. Quinn, is warmly welcomed by the Rivergate Wheelers and their interests in the Rivergate Trail. A warm welcome to Mr. Quinn as he begins his career with the 1000 Island Land Trust.

OLD BUSINESS

Rivergate Trail Status:

Jill developed a draft maintenance contract for Glenn Gloud's property. Kathy Watson motioned that our attorney should review before we sign the document. All present agreed and Terry will have Tim Farley review.

More details at the next meeting as to when we will do the next trail maintenance. We will be working with TILT to fix not only the

bridge that washed out in Theresa but the trail that has been washed out in Redwood. More information to follow with dates and times.

PowerBoat Poker Run BBQ – was a complete success. We completely sold out of all food we prepared. **Big Thanks!!!** to all that made this event one of our most successful this year. Thanks again....

Grill Rental: - The church group was very happy with our grill. Their function was a great success – thanks to Terry and Greg for arranging it all!!!!

ATV Rodeo – was held on July 17 in conjunction with the Jefferson County Fair. Special thanks to Mark Miller of Nesco for his enthusiastic participation! Unfortunately the overall attendance of the event was low. Much discussion ensued concerning the event and the lessons learned both good & bad!!! Thanks to all Rivergate members, and those from North Country ATV who without their help we would not have been able to conduct this event. Again thanks to all whose help made this not only a mild success but a lesson learned for future dealings. **Special Thanks to Arnes Custom**

Printing for the Staff Shirts!!!

Grindstone Island 2004 – This year's adventure began on Friday, July 23rd when the barge and a big power boat left Clayton. Greg and Claudia even joined the already 13 of us on the island for the 5th anniversary...Check out the adventure at www.rivergatewheelers.com.
