### PRESIDENTS REPORT

Cape Vincent Chamber of Commerce Dinner – Terry and Barb

attended this dinner. Terry networked with FX Caparra, who is purchasing 600-800 acres in Evans Mills and wants our club to help form a trail connecting Evans Mills to the Rivergate Trail. Terry will continue to work with him on this issue and will report back at next meeting.

### CORRESPONDENCE

**Letter from Daniel Aubertine** - Terry read the letter to the membership. It was confirming his position on the registration fee and such. Nice letter from the Assemblyman showing his support for ATViing in Jefferson County as well as the state level.

**Invitation Letter from 1000 Islands Land Trust** – to come to their Open House in their new facility on Riverside Drive in Clayton, as well as inviting us to use the facility for functions or meetings. Terry will contact Bob Quinn and see about having our October meeting in the new facility. Please watch your email for more information on meeting place in October.

### OLD BUSINESS

**1000 Booster Club** – Thanks to all that worked at the weekend long event. We netted \$1161.83. Special thanks to the 1000 Island Booster Club for allowing us this

mutually beneficial opportunity!!!!

**Brush Hog** – fixed for \$93.00 at Cheney Tire which includes the new battery. The man from Cheney's recommends a bigger engine – but Terry has mowed with it and it is working correctly. Mike Bellinger made motion to purchase a new tire for the trailer, seconded by Wade Ingalls.

**Wedding BBQ** - thanks for all that helped....\$361 in profit – Great job!!!!

**Antique Boat Musuem Appreciation Dinner** - Terry & Barb Fox and Ray Michard and Family attended the wonderful dinner and accepted a Certificate of Appreciation of behalf of the club.

### NEW BUSINESS

**Letter in 1000 Island Sun** – bashing from Robert Duling about the condition of the trail by Crytsal Lake. He is planning on donating his land to the 1000 Island Land Trust when he passes. Terry will contact and see what needs to be done to this section of the trail; hopefully we will be able to enlist the help of the club from Theresa to help us with this section.

**Glenn Gould's Property** – Glenn is accusing Club members of tearing up Danzig's property. Terry spoke with Glenn at length about this issue and Terry will be meeting with him when he returns

from moose hunting. We feel that Danzig is trying to get Glenn to close his trail too. Steve Tanner reported that the State Police have not had any problems with Club and the trails. Steve has also tried to speak to Danzig three and four times over the summer to no avail. **Trail Maintenance** – September 29th will be the next work detail. We will meet at Terry's at 5pm and work on the section from Black Creek to LaFargeville. Bring your weedwacker and chain saws. **Clambake and ATV Ride** – Sep 25th – we will be leaving Ray's @ 11am. Returning to Ray's for food and refreshments. We need a count for the food....please let me know if you like clams!!!! Clams, Turkey and Salads will be provided by the club – anything else you want is BYOB. If you are bringing a trailer meet at the DPW Building in Clayton on East Line Road at 10:45 am. **ATV Member Only Rodeo** – is cancelled due to all the rain we have received this so called Summer! We will table this and bring it back up in the spring.
