Need to get prices on a 40lb propane tank w/"T" for the double burner and grill for the Power Boat Poker Run on Saturday, June 25th. Greg suggested that for the other small chicken barbecues coming up later this summer that we drop the salt potatoes and corn and the tossed salad in favor of two salads made by the Gal's and these with the half chicken sell for \$6.50. This way we can continue with the barbecues even though our Food Services Unit has dwindled to just 5 people. Doing this we don't have to use the double burner at all for the salt potatoes and corn. Passed. Meeting adourned 8:42PM
