PRESIDENTS REPORT

1st Vice Glenn informed the group that Terry has been working with the Can Am Speedway to do some shows this year and use the

timing system. Glenn also asked all present to sign up for a shift at the Clayton Boat Show – April 13-15th. He explained this was one of our big events and help is needed to make it a success so we can fund such weekends as Grindstone in July.

COMMITTEE REPORTS

OLD BUSINESS

Moving Wall BBQ – we were able to raise over a thousand dollars for the Moving Wall which is coming to Clayton, June 20th to 25th 2007. The Moving Wall Committee was very pleased with the whole event. Thanks to all that helped out – we still have 24 halves for the Club – more information on the BBQ and ride to follow.

Cover for Grill – Glenn reported that it was less than \$150 to make the top. Larry reported that it worked well at the MW BBQ but the wood was wet making the cooking a little slow. Special Thanks to Larry and Craig for all the Cooking in the Cold!!!

NEW BUSINESS

Jefferson County ATV Association – Town of Montague on Tug Hill has closed all roads to ATVs. Greg & Terry will contact TILT and see what sort of assistance we can be to the project to replace the bridge in Theresa just before the sand pits. Glenn will also talk to a representative from IR Club. Greg also reported that the Lodge and IR Clubs questioned when the 81 project would close down that section of the Rivergate Trail. After discussion it was decided that the Rivergate Wheelers ATV Club, Inc. will not sign that section as it does not belong to TILT but to Glenn Gould so it is his private property.

Clayton Boat Show – will be April 13-15th. Mark your calendars it is always a fun event and a great moneymaker for the club. Please contact Jill at 771-8786, 628-4709 or jillvanhoesen@msn.com to volunteer for a shift on the 14th or 15th. Big thanks already to all the members that signed up at the meeting tonight. Thanks for your support!!!!
merging with them. He will provide more information if this happens.
