SEC. / TREASURERS
REPORT

Jill discussed the balance in the checking account against the committed funds that we had to spend. These included the Grindstone Trip (400.00), Clayton Chamber Dues (250.00) and Don's Prop Shop for Trailer repair (500.00), etc. This left us with a negative amount if we were to go forward with the ATV Rodeo and the cost of the insurance, prizes and setup. This also included the 482.00 profit from the Chicken BBQ on July 12th. The ending balance in the checkbook was \$1522.71 before the bills stated above.

PRESIDENTS REPORT

Terry discussed the NYTRO of NNY article dated May 2009 which discussed the reactivation of the Jefferson County ATV Association and the possible future of the Rivergate Trail and insurance requirements. The article was available for all to read and more information will be passed along as we get it.

OLD BUSINESS

ATV Rodeo at Stone Mills – Jill contacted Stone Mills to see if the insurance is really necessary and was told they would contact their insurance agent and inquire about it. Glenn Van Hoesen motioned and seconded by Greg Hall that if the NNY Ag Society can not help with the cost of the insurance we will not be able to conduct the rodeo due to cost restraints. Passed, Jill will contact NNY Ag again and report back at the next meeting.

Grindstone Island Potter's Beach Cleanup – is now rescheduled for September 13th. Please let Terry know if you are interested.

Chicken BBQ for Rodeo – was on July 12th. Thanks to all that helped, we did end up selling out and made almost \$482.00. But it is still not enough to cover the cost of the rodeo due to other outstanding bills.

NEW BUSINESS

Grindstone Island Trip – is still scheduled for July 24-26. We will be staying in a cabin this year and the trip cost will rise to \$400.00. Please contact Jill or Terry for more details and to sign up to go.

Clayton Chamber Dues – Ron Horning motioned that we pay the chamber dues and keep our membership current. The motion was presented to the floor and will one "NAY" vote it did pass by majority vote. The majority felt it was important to keep this relationship and the money better spent on that than the ATV Rodeo where we are not guaranteed attendance and have a very high probability of losing a large sum of money on the event.
