PRESIDENTS REPORT

Terry thanked everyone for their help for the Grindstone Cleanup.

He requested that Jill send Thank You cards to RJ Marine and Pat Patchen for providing the barge rides to and from the island.

COMMITTEE REPORTS

Greg reported on a generator to power our chicken serving line. We need at least an 8000 watt generator due to the fact that each roaster uses up to 1500 watts each. Lowes has one left made by Generac that costs \$1100.

OLD BUSINESS

ATV Rodeo at Stone Mills – Jill has been in further contact with Stone Mills and the insurance requirement is a necessity. Unfortunately Jill has informed Stone Mills that due to financial restraints we are not going to be able to conduct the rodeo.

Grindstone Island Potter's Beach Cleanup – on September 13th was a huge success with 5 members participating with TILT. Thanks again for the great community service.

Chicken BBQ/Short line for Car Classic – will be on September 26th, rain date September 27th. This year's event is a Fort Drum Yellow Ribbon Event and should be well attended. We will be doing both short line (hamburgers and hot dogs) as well as the Chicken BBQ. We will be spicing chicken on September 23rd at 4:30 pm. Please let Terry know if you can be of assistance.

Fundraiser with Redwood Historical Society – will be October 3rd. We will be doing the Chicken BBQ and cooking the salt potatoes for the Society at the Redwood Tavern. We will be spicing chicken at Terry's house on September 30th at 4:30 pm. Please let Terry or Greg Hall know if you can help with this event.
